Teaching Development
University of Dayton

- Common Academic Program (CAP) Four-year review process for POL 336 – Mapping Student Learning Outcomes (SLOs) onto Institutional Learning Goals (ILGs)
- Common Academic Program (CAP) Social Science faculty and SSC 200 course development - The course uses social science methods and social theory to critically examine a human issue or problem from at least three social science disciplinary perspectives: Anthropology, Communication, Criminal Justice Studies, Economics, Human Rights Studies, Political Science, Psychology, Social Work, and Sociology. Developed by the CAP Social Science Steering Committee, this course is designed as an interdisciplinary, theme-based course that varies across sections but shares common learning outcomes appropriate for sophomore-level students.

University of Delaware
